**NOTE: Subcontractors will not be allowed to start construction until a final set of approved drawings and all applicable fees have been paid to the Southeast Weld Fire Protection District. Failure to comply with this requirement will result in a Stop Work Order and an additional permit fee.**

**By submitting this Application, the applicant represents that all information contained in this application is true and accurate, and that the applicant has full authority to submit this application. The applicant represents and agrees that the owner, contractor, architect, subcontractors and their employees, agents and representatives, will comply with all requirements of the International Fire Code, Building Code, Mechanical Code and any other applicable Codes or standards. The applicant agrees to reimburse the Fire District for all fees (including attorneys' fees) costs and expenses it may incur as a result of a failure of the owner, contractor, architect, subcontractors and their employees, agents and representatives, to comply with all requirements of the International Fire Code, Building Code, Mechanical Code and any other applicable Codes or standards.**

**\*All documentation and payment must be received prior to review of the submittal package.**
