

KNOXBOX Ordering Information.

<https://www.knoxbox.com/industries/fire-departments> will take you to the main Knox website to purchase a KnoxBox for your business or residence.

Select Start Here and in the pop-up, enter the installation address. It will prompt you to confirm the Department/agency, confirm that Southeast Weld Fire Protection District has already been selected. At that time, select Confirm Department.

You will be directed to our supported products. Choose from the following:

- KnoxBox 3200
- KnoxGate & Key Switch 3500-SML
- KnoxGate & Key Switch 3500-SMLMP
- Knox Padlocks 3700-M
- Knox Residential Box 1650

Once your choice has been made it will direct you to checkout.

Once you have purchased the KnoxBox and have installed it, please contact us so we can place the building keys for your business or residence in it and lock the KnoxBox.

If you purchased a Knox Padlock; once you receive it, contact us so we can install it.

If you purchased a KnoxGate and have installed it, please contact us so we can confirm that all functions operate as intended.
